

Submission Form

Date: ... / ... /

To the Editorial Board of The Journal of Turkish Family Physician,

The manuscript entitled as “.....

.....” is submitted for the publication in *The Journal of Turkish Family Physician*.

The author/s of the manuscript declare that the article is original, has not been published previously in Turkish or in another language, does not contain any complete or partial quotation, and is not under consideration for publication by another journal. The author/s take scientific and ethic responsibilities for the article and declare that all authors have contributed significantly, read and approved the content of the manuscript.

We kindly request our manuscript to be evaluated for publication.

Best Regards,
